

"We journey together..."

These are the first words of Parkway Hills' mission. They reflect an immense biblical truth: *we are created for community*. A Life Group is the place where we join in community with like-minded people as we journey together in our lives in Christ.

Our Life Groups are marked by:

L - Living for Christ: We champion Jesus. We talk about Jesus. We love Jesus. He is the purpose and the point of all that we do in Life Groups.

I - Intentional Bible Study: We study the Bible with the purpose of knowing God and learning how we can demonstrate that love through obedience to Him.

F - Fellowship in Action: We aim to serve the world with the Gospel of Jesus Christ. Life Groups are the hubs of our church's mission strategy, both locally and to the ends of the earth.

E - Encouraging Gospel Transformation: We encourage one another to grow in the gospel. Life Groups cultivate relationships that will allow others to speak into our lives, challenge us to grow, and encourage us in difficult times.
